Enclosure No. one

In submitting for kind information a copy of defaulter sheet of No. 593 Sowar Abdullah Khan of "D" Squadron, has the honor to bring to his kind notice that the character of the Sowar referred to is very bad, and he does not care for any officer. Whenever the Section Troop or Squadron Commander tries to exact the prompt obedience from him when on duty, he disputes his orders and replies to them in an insubordinate

insubordinate manner.

It is also reported by the Squadron Commander that he was somewhat submissive during his recruiting Course, but since he has been passed out of riding school, he has turned up to be very troublesome and unyielding.

As the retention of such ill-natured men, in service, is very likely to injure the good order and discipline of the Regiment, the undersigned strongly recommends to discharge him from service under para 242 of the Standing orders, and to kindly issue orders to struck off his name with effect from the 25th Instant, (the date on which the punishment awarded now expires) At present he has put in a service of 3 years, 3 months and 7 days only.

The sowar referred to being a native of Peshawar, permission may kindly be given to have his Chanda and Retiring fund paid up, as a special case, from the Regimental Treasury and get it adjusted after the receipt of amount, in due Course.
